## First Aid + H&S Courses

### 2017-18

**Are you sure you know what to do when you hear that cry for help? Maybe you never get round to learning the skills?**

We are now accepting bookings on First Aid and Health & Safety training being run at the school in 2017-18!

**We are offering the following courses for you:**

First Aid at Work / Emergency First Aid at Work

Emergency First Aid for Schools / Sports

Basic Life Support

Defibrillators

Anaphylaxis Awareness

Manual Handling

Fire Safety

Taking part in one of our courses is cost effective, fun and it's run in an educational environment with the right materials and an instructor experienced in pre-hospital emergency care.

**This leaflet will provide information on our course costs, dates and comparisons to help you choose the right training!**

# Want to know more?

If you would like to enrol on a course but none of our scheduled dates appear to be convenient, please get in touch and we can discuss dates and courses that are mutually suitable!

The most popular course is our EFA-Schools. Which is based on the standard EFAW but also focuses on key common medical conditions in school. We can also run full 3 day FAW qualifications too and can arrange dates that tie in with the expiry of your candidates certificate! Please get in touch and we will do our very best to arrange the right course at the right time for you!

**Please contact us for further information regarding all our courses!**

All courses include tea and coffee! Depending on the start time and duration of the course, it may be advisable to bring your own lunch.

**For more details and a booking form, please contact the instructor:**
