

Pop-in Session

10 - 11am on Friday 15th February

For potential new exam facilitators / invigilators

to read and/or scribe for students who require additional support

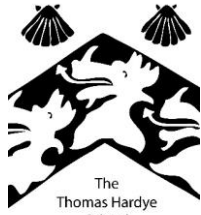

- Are you free during the months of May and June?
- Would you like to earn some money by helping your local school?
- Have you considered being an exam facilitator/invigilator?

If so, you are invited to our pop-in session with the exams team and a few of our existing invigilators for a casual chat over a cup of tea to see if this is something you might like to do.

We need reliable individuals who can promote a calm and supportive atmosphere for our students who require additional support so that they can reach their full potential. This includes reading and/or scribing for a student or supervising students typing on computers.

No previous knowledge, qualifications or experience required but reliability is essential. Training will be provided.

Hope to see you there! In the meantime if you would like further information, please email: exams@thomas-hardye.net
