November 2020

Dear Parent/Guardian

Year 11 Mock Examinations

Year 11 students will be sitting their mock GCSE examinations from Monday 30th November until Friday 11th December. These examinations will form a vital part of the students' preparation for their final GCSE examinations next summer.

Due to the current restrictions, the exam period has been spread over two weeks. We have brought these forward due to concerns over schools being closed in the last week of term. We are unable to offer the usual formalised mock experience, for example the Theatre and Sports Hall are not available as locations, however we will strive to make the mocks as close to the real thing as possible so students gain this vital experience. If any student is self-isolating we will be flexible as to how these could be completed. There will be no study leave as the exams will be taking place in scheduled lesson time.

It is our intention to hold further mocks in the core subjects later in the academic year and hopefully the restrictions will have eased, allowing all students to have a full, formal exam experience.

An examination timetable can be found overleaf, and I am sure that you will help your son/daughter to plan their revision to make the most of these examinations. Each subject has produced a checklist of all the topics that will be tested in the mock exams. This can be found on the school website at: <http://revision.thomas-hardye.net>.

Yours faithfully

J Dean
Assistant Headteacher
