March 2017

Dear Parents/Guardians and Students of Year 9

World Challenge Expedition to Romania 2018

As a school we are very excited about the opportunity this will give students to do something really unique that will make them stand out from the crowd. Participating students work together and take the lead to raise funds, plan their itinerary, set goals, and take on leadership roles, both before and during the expedition. By taking charge, students walk away with key life and leadership skills which prepare them for life after school.

The Parents' Presentation, delivered by **World Challenge**, will be held on **Thursday 23rd March** in the **School Theatre at 6.30 pm**. At the meeting you will have the opportunity to hear all about the amazing challenges that your son/daughter will have the chance to experience and also learn more about fundraising opportunities for participating students, the expedition and destination, safety and the support that World Challenge offer.

We hope you are able to join us and look forward to seeing you there!

Dr G Collington and Mr A Sammons
